

Murray Wright, FCIA, FFA C.Act

Senior Director, Pension Actuarial

Eckler

Toronto, Ontario

A senior director and consulting actuary in Eckler's pension practice in Vancouver, Murray has almost 20 years of experience advising pension plans in Canada and the United Kingdom. Murray has expertise in long-term strategy, risk management, asset-liability modelling, funding and benefit policies, and demographic risk modelling. His focus is on making sure that these complicated issues can be turned into understandable and actionable advice. Murray is a Fellow of both the Canadian Institute of Actuaries and the Institute and Faculty of Actuaries in the United Kingdom.
